

How do I apply for one of your homes?

If you are interested in an available property and would like to fill out a rental application, please visit the properties detail page under Rental Properties and click on the "APPLY NOW" button. To complete the application process do not forget to attach a copy of your driver's license and recent pay stub (If self-employed attached the first 2 pages of the last 2 years tax returns) when completing the on line application or send separately to jbeaver@stlleasing.com or fax to 636-926-7262.
